Kind Friend:

Your favor of Jan 10th received. I have with enclosure my 1924 Catalogue and the 1925 copy of it in the hands of the printer. You will note my list of Peonies on page 15: Much only contains the surplus of my common varieties. The large collection of the rare and newer varieties do not list in my catalogue at all as the number of plants of most varieties is so small and by sales is never raised very much. Will here give you a list containing the leading varieties still have more varieties some of which
